BIG MUSIC DAY OUT - Week 10 26th September

All pupils that wish to take part in this will need to put their names down on a list in Room 03 at interval today and collect a notice from the front office.

This is suitable for pupils that are learning a musical instrument and would like to be involved in an event involving lots of other musicians. You will practice throughout the day and then perform a small concert at the end.

Production Chorus:

We are after 15 students that just want to sing in a chorus. No solos. Backing vocals only.

They would need to be committed to the TIS VALUES in terms of being involved.

They would need to show up for rehearsals, either in the hall or in the music room, at any time.

If that is you then you need to put your name down in Room 03 at interval.

Production band

Next week I will be looking at forming the band for production. This will involve a high level of "Involvement" for rehearsal not just during Production rehearsals but also initially to learn the music.
