Any teachers who would like to support in the planning and organisation please let Mrs Chapman know

A reminder, for students who cross Taharepa Road at the end of the day, be considerate and respectful towards our community and refrain from using the grass verge at the bottom of the hill to brake on your scooters and bikes. The grass verge is becoming quite damaged as a result.

If you are leaving school on a bike or scooter from the front entrance, slow down and be considerate towards pedestrians who are using the footpath.
