### Other Notices

A reminder, for students who cross Taharepa Road at the end of the day, be considerate and respectful towards our community and refrain from using the grass verge at the bottom of the hill to brake on your scooters and bikes. The grass verge is becoming quite damaged as a result.

If you are leaving school on a bike or scooter from the front entrance, slow down and be considerate towards pedestrians who are using the footpath.

Message from our lovely dental nurses: If you have visited the dental clinic lately, Please dig deep into the bottom of your bags and return your dental forms to the office!
